NEEDS ASSESSMENT FORM

When a need arises, the accessibility policy outlines Waterloo Christian Reformed Church's intention to respond. In order to assure that the church's response meets the actual need, and responds in a feasible and sustainable manner, the following questions are asked to assess the needs and discover possible solutions.

Please explain the need, issue, or problem for which you are seeking some sort of change.

Please explain the solution, outcome, or best result you hope for to solve the need, issue or problem:

Please tell us about how you have experienced this need or issue or problem being resolved in other places or situations, or solutions you have heard about. Are there different ways this need can be met or resolved?
